Information

**STAWELL
REGIONAL HEALTH**

CHOOSING STAWELL FOR YOUR HOSPITAL CARE:

Stawell Regional Health thanks you for choosing our hospital for your care.

The hospital is proud of the high standard of care and accommodation for all patients, with several single rooms available throughout the hospital.

All staff are committed to providing services to a private standard and including quality health care.

We certainly wish to make your stay with us as comfortable as possible.

YOUR ROOM

The staff will always endeavour to place you in a single room if available, or as soon as one is available.

It is our belief you are entitled to private facilities and complimentary services to ensure you are as comfortable as possible.

COMPLIMENTARY SERVICES

- Choice of daily newspaper
- A choice of quality food & beverages
- Daily personal laundry service
- Single room as soon as possible
- Transport, to and from hospital, when required and organised by either the Liaison Officer or the Nurse Unit Manager
- Physiotherapy
- Occupational Therapy
- Speech Pathology
- Dietitian
- Diabetic Educator
- Podiatrist
- Television & Telephone
- Services required for discharge identified
- Personalised discharge arrangements
- Individual Case Manager if required
- Toiletries

YOUR MENU

As a private patient you may choose your meals from a personalised menu. These meals are prepared to meet your personal and dietary requirements.

BEVERAGES

There is a choice of tea, coffee, fruit juice to suit your needs. Alcoholic beverages are optional with your meals (subject to medical approval).

YOUR DOCTOR

Stawell Regional Health offers a comprehensive list of Visiting Medical Staff to allow you a doctor of your choice.

ACCOUNTS

The hospital will claim your accommodation on your behalf to ensure you are not out of pocket for any accommodation fees. Medical accounts will be rendered directly by your attending doctors.

HELPING YOUR LOCAL HOSPITAL

The revenue and savings generated from the use of private health insurance enables the Hospital to maintain and improve existing services as well as develop new initiatives for the community.

A WORD OF THANKS

The Management and Staff of Stawell Regional Health wish to thank you for supporting our hospital. Please let us know how we can improve our service to you.
